

This chapter lists the numerous people involved in the project and preparing this Environmental Impact Statement.

Chapter 5. List of Preparers

5.1 Federal Highway Administration

Patrick Tyndall, South Carolina Division, Environmental Program Manager, responsible for the review and approval of the Environmental Impact Statement.

J. Shane Belcher, South Carolina Division, Environmental Coordinator, responsible for the review of the Environmental Impact Statement.

Felix Davila, P.E., North Carolina Division, Area Engineer, responsible for review of the Environmental Impact Statement.

Hamilton Duncan, P.E., P.G., South Carolina Division, Operations Engineer, responsible for review of the Environmental Impact Statement.

5.2 South Carolina Department of Transportation

Mitchell Metts, P.E., I-73 Project Manager, responsible for the overall project development and coordination.

Randy Williamson, P.E., Environmental Engineer, served as the Public Hearing Officer and reviewer of the Environmental Impact Statement.

Wayne Hall, Special Projects Manager, responsible for the review of the Draft Environmental Impact Statement.

Wayne Roberts, Chief Archaeologist, responsible for the review and approval of cultural resource reports.

Amanda Brooks Queen, Environmental Projects Manager, responsible for review of the Environmental Impact Statement.

5.3 North Carolina Department of Transportation

Jennifer Fuller, P.E., Project Planning Engineer, responsible for project management and coordination.

Derrick Weaver, P.E., Project Development Engineer, responsible for project oversight and review.

Roger Thomas, P.E., Roadway Design Project Engineer, responsible for the review of the designs of the alternatives in North Carolina and recommendation of design changes.

5.4 The LPA Group Incorporated

Arthur E. Parrish, P.E., President and Chief Executive Officer, responsible for project management oversight.

I.B. Johnson, Principal, Director of Environmental Planning, responsible for project management and review of the Environmental Impact Statement.

Heather M. Robbins, Senior Environmental Planner, principal author of the Environmental Impact Statement.

Michelle Herrell, Environmental Scientist, contributing author of the Environmental Impact Statement.

Gordon Murphy, Senior Environmental Scientist, contributing author of the Environmental Impact Statement and responsible for the natural resources impact analysis.

Ken Burger, P.E., Senior Transportation Project Manager, responsible for the coordination of public involvement.

Rob Dubnicka, P.E., Director of Traffic Engineering and Planning, responsible for traffic analysis and preparation of the traffic technical memorandum.

Renee Flinchum-Bowles, Environmental Scientist, responsible for the natural resources impact analysis.

Jay Gable, Environmental Scientist II, responsible for the preliminary review of natural resources.

David Grigg, GIS Analyst, responsible for GIS analysis and the preparation of graphics.

Dee Hope, Environmental Scientist, assisted with the natural resources impact analysis.

Randy Kelly, Senior Road Designer, responsible for corridor refinement and design.

Jason Kendall, Graphic Designer, responsible for the design of the Environmental Impact Statement and the technical memoranda covers.

Thomas F. Kicklighter III, P.E., Manager of Roadway Design, responsible for the roadway design and review of corridor alignments.

Gus Kretschmer, Utility Coordinator, responsible for utility estimates and contributed to the *Utilities, Right-of-way, and Relocation Report*.

Ed Livingston, Senior Transportation Consultant, responsible for the design and review of corridor alignments.

Shanna Niswonger, E.I.T., Hydraulic Engineer, responsible for water quality analysis.

Susan Ruinen, P.E., Senior Transportation Engineer, responsible for preparation of the *Utilities, Right-of-way, and Relocation Report*.

Sarah Scoma, Administrative Assistant, assisted with the production of the Environmental Impact Statement.

Ed Smail, Environmental Scientist, responsible for the preliminary review of natural resources.

Charles Smith, Environmental Scientist, responsible for the preliminary review of natural resources.

Laura Stevens, Environmental Planner, responsible for review of the Environmental Impact Statement.

Adriene Tyler, Project Administrator, responsible for project management coordination.

Susan Wilson, Transportation Planner, assisted with the traffic modeling and preparation of the traffic technical memorandum.

5.5 Wilbur Smith Associates

Michael McGuire, P.E., Regional Vice President, responsible for project management, design and review of corridor alignments.

Melvin Brown, C.E.P., Regional Vice President, NEPA Specialist responsible for the review of the Environmental Impact Statement.

John Metille, Senior Project Manager, NEPA Specialist responsible for review of CIA and documents.

Jennifer Pearson, Environmental Planner, NEPA Specialist responsible for the review of CIA, documents, and principal contributing author of Environmental Impact Statement.

Anthony Allender, Urban Planner, responsible for land use planning.

Jana Bean, Environmental Coordinator, NEPA Specialist responsible for review of cultural resources, Section 4(f) and 6(f) properties, and contributing author.

Michael Belvin, Senior Environmental Planner, NEPA Specialist responsible for review of CIA, noise, air, EIS document, and contributing author.

Steve Bland, P.E., Roadway Design Manager, responsible for preliminary roadway, bridge, and interchange design.

Jeff Carroll, Senior Transportation Planner, Public Involvement, responsible for the coordination of public involvement.

Paula Dowell, Vice President, responsible for the economic analysis.

Karen Hadley, Environmental Planner, NEPA Specialist responsible for review of farmland and CIA and contributing author.

Lora Hendricks, GIS Analyst, responsible for GIS, corridor identification, analysis and support.

Sanders McMillan, Environmental Specialist, NEPA Specialist responsible for review of natural resources, CIA, and floodplains.

Peter Ogonowski, Economist, responsible for the economic model.

David Powers, Director of Traffic Engineering, responsible for traffic model development and review.

Emily Ritzler, AICP, Environmental Planner, NEPA Specialist responsible for review of hazardous materials and contributing author.

Sashank Singuluri, Traffic Engineer, responsible for traffic model review.

Meredith Tredeau, Environmental Planner, NEPA Specialist responsible for review of CIA and hazardous materials and contributing author.

Lauren Warmuth, Hydraulic Engineer, responsible for review of the hydrology and floodplains.

John Wisdom, System Analyst, responsible for GIS, corridor identification, and analysis.

Greg Yarbrough, GIS Director, responsible for GIS and corridor analysis management.

5.6 Adobe Palm Communications, LLC.

Deborah B. Harwell, President and CEO, responsible for media relations.

5.7 Brockington and Associates, Inc.

Ralph Bailey, Jr., RPA, Principal Investigator, responsible for the preparation of the cultural resource reports.

Tom Whitley, Ph.D., RDA, Senior Archaeologist, responsible for the review of cultural resources.

Edward Salo, Architectural Historian, responsible for the review of cultural resources.

Inna Burns, GIS Specialist, responsible for the analysis and graphics in the cultural resources report.

5.8 Civil Engineering Consulting Services, Inc.

Rocque Kneece, P.E., Senior Project Manager, responsible for QA/QC review of the Environmental Impact Statement.

Brian Taylor, Environmental Manager, responsible for QA/QC review of the Environmental Impact Statement.

5.9 Environmental Planning Strategies, Inc.

Judith Lee, President, responsible for the preparation of the indirect and cumulative impact plan and review of indirect and cumulative impact analysis and the Environmental Impact Statement.

5.10 The Grant Group, Inc.

Joe Grant, Principal, responsible for public involvement and minority community outreach.

Marcia Wynn, Administrative Assistant, responsible for public involvement and minority community outreach.

Deirdre Smith, Administrative Assistant, responsible for public involvement and minority community outreach.

5.11 OLH International

Phillip D' Ambrogi, Vice President of Operations, responsible for developing the project schedule.

Derek Riley, Senior Scheduler/Project Manager, responsible for maintaining the project schedule.

5.12 P.J. Noble & Associates, Inc.

Patrick J. Noble, President/CEO, Facilitator-Stakeholder Working Group.

Jakiya Evans, Community Relations Associate, assisted with Stakeholder Working Group.

Delores Fulton, Administrative Assistant, assisted with Stakeholder Working Group.

5.13 Press and Potter, LLC.

Dan Dozier, Mediator/Facilitator, responsible for facilitating ACT meetings.
